

Creating a safer
Cambridgeshire

Dear Councillors and Residents,

Please accept my apologies for not being able to attend this evening's meeting. I am your local point of contact officer for Cambs Police. I have searched our Police database to compile some data below for the last 12 months.

I have included a table below comparing anti-social-behaviour/incidents, with the whole of South Cambridgeshire.

Incidents/Crimes	Graveley	South Cambs
Incidents	33	24592
ASB Incidents	0	1645

To see what crimes have been reported in your area please enter your postcode on <https://www.police.uk/>.

For good work stories and crime prevention advice please go to our blog <http://southcambscops.org/>.

If there is anything raised at the meeting that requires my attention, please do not hesitate to e-mail me: thomas.baugh@cambs.pnn.police.uk.

Kind Regards
